

"BEACON LIGHTS OF PROGRESS"

Out of the Darkness Came a Beautiful City!

Even as Jared Sidney Torrance in 1911 pic-
tured this Modern Industrial City springing
up from the Shifting Sands of a Desert Land,

SO LET US, who have shared the Benefits
of his Enlightened Vision, take up the Torch
of Progress and build a Still Greater, an Even
More Beautiful TORRANCE of Tomorrow!

PAGEANT OF LIGHT!

Tuesday

March 26
